---

## 1. INTRODUCTION

On 16 February 2023, VisDynamics Holding Berhad (“**VisDynamics**” or “**Company**”) announced that it proposes to seek the shareholders’ approval for the Proposed Share Buy-Back Renewal at the 18<sup>th</sup> AGM to be convened.

The purpose of this Statement is to provide you with the relevant details of the Proposed Share Buy-Back Renewal to be tabled at the forthcoming 18<sup>th</sup> AGM, which will be held on Monday, 27 March 2023 at 10:30 a.m., Notice of which is set out on pages 128 to 131 of the Annual Report 2022 of the Company.

## 2. DETAILS OF THE PROPOSED SHARE BUY-BACK RENEWAL

The Board had, during the 17<sup>th</sup> AGM held on 30 March 2022 obtained its shareholders’ approval to purchase up to ten per centum (10%) of the total number of issued shares of the Company as quoted on Bursa Malaysia Securities Berhad (“**Bursa Securities**”) as at the point of purchase. In accordance with the ACE Market Listing Requirements (“**Listing Requirements**”) governing the purchase of own shares by a listed company, the aforesaid approval will continue in force until the conclusion of the forthcoming 18<sup>th</sup> AGM of the Company.

The Board proposes to seek approval from the shareholders for a renewal of authorisation to enable VisDynamics to purchase up to ten per centum (10%) of the total number of issued shares of the Company at any point in time through Bursa Securities in accordance with Section 127 of the Companies Act 2016 (“**Act**”), Listing Requirements and/or any other relevant authorities.

The Proposed Share Buy-Back Renewal shall be effective upon the passing of the resolution at the forthcoming 18<sup>th</sup> AGM of VisDynamics and shall continue to remain in force until:

- (i) the conclusion of the next AGM of the Company following the general meeting at which such resolution is passed, at which time the authority shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (iii) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever is occur first.

## SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF AUTHORITY FOR PURCHASE OF OWN SHARES BY THE COMPANY (“PROPOSED SHARE BUY-BACK RENEWAL”)

### 2.2 Treatment of VisDynamics Shares Purchased

2.2.1 In accordance with Section 127 of the Act, the Board may, at its discretion, deal with any of VisDynamics Shares so purchased in the following manner:

- (i) to cancel the VisDynamics Shares so purchased; or
- (ii) to retain the VisDynamics Shares so purchased as treasury shares where the Board may:
  - a. distribute all or part of the treasury shares as share dividends to the shareholders of VisDynamics;
  - b. resell all or part of the treasury shares in accordance with the Listing Requirements;
  - c. transfer all or part of the treasury shares for purposes of or under an employees’ share scheme;
  - d. transfer all or part of the treasury shares as purchase consideration; or

in any other manner as may be prescribed by all applicable laws and/or regulations and guidelines applied from time to time by Bursa Securities and/or any relevant authorities for the time being in force, and that the authority to deal with the purchased VisDynamics Shares shall continue to be valid until all the purchased VisDynamics Shares have been dealt with by the Board.

2.2.2 The Board intends to retain the purchased VisDynamics Shares as treasury shares, cancel the purchased VisDynamics Shares or a combination of both. The decision will be made by the Board at the appropriate time.

### 3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK RENEWAL

The procurement of the shareholders’ approval for the Proposed Share Buy-Back Renewal would enable the Company to purchase VisDynamics Shares when appropriate and at prices which the Board views favourable.

The Proposed Share Buy-Back Renewal may enable the Company to utilise any of its surplus financial resources to purchase its own shares from the market. It may stabilise the supply and demand of VisDynamics Shares traded on the ACE Market and thereby support their fundamental value.

The Proposed Share Buy-Back Renewal, if exercised, will enhance the Earnings Per Share (“**EPS**”) of VisDynamics Shares as a result of a lower number of VisDynamics Shares being taken into account for the purpose of computing the EPS, if the purchased VisDynamics Shares are held as treasury shares or cancelled, which in turn is expected to have a positive impact on the market price of VisDynamics Shares.

The purchased VisDynamics Shares may be held as treasury shares and resold on Bursa Securities at a higher price with the intention of realising a potential gain without affecting the total issued share capital of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

The Proposed Share Buy-Back Renewal is not expected to have any potential material disadvantage to the Company or its shareholders, and it will be implemented only after due consideration of the financial resources of VisDynamics Group and the resultant impact on the shareholders of the Company. The Board, in exercising any decision to buy-back any VisDynamics Shares, will be mindful of the interests of the Company and its shareholders.

**4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK RENEWAL**

**4.1 Potential Advantages**

The potential advantages of the Proposed Share Buy-Back Renewal are as follows:

- (i) It allows the Company to take preventive measures against speculation, particularly when VisDynamics Shares are undervalued, which would in turn stabilise the market price of VisDynamics Shares and hence, enhance investors' confidence;
- (ii) The Company's share capital will be reduced pursuant to the Proposed Share Buy-Back Renewal which will increase the EPS or the amount of dividend received (all things being equal);
- (iii) If the treasury shares are distributed as dividends by the Company, it may then serve to reward the shareholders of the Company; and
- (iv) If the purchased VisDynamics Shares are retained as treasury shares, the Company may increase its financial resources from the resale of treasury shares at a higher price than when they were purchased.

**4.2 Potential Disadvantages**

The potential disadvantages of the Proposed Share Buy-Back Renewal are as follows:

- (i) The Proposed Share Buy-Back Renewal will reduce the financial resources of the Group and may result in the Group foregoing better investment opportunities that may emerge in the future; and
- (ii) As the Proposed Share Buy-Back Renewal can only be made out of the retained profits of the Company, it may result in a reduction of financial resources available for distribution to shareholders in the immediate future.

Nevertheless, the Proposed Share Buy-Back Renewal is not expected to have any potential material disadvantage to the Company or the shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact.

**5. FUNDING**

The maximum amount of funds to be allocated by the Company for the Proposed Share Buy-Back Renewal shall not exceed the retained profits of the Company.

Based on the latest audited financial statements of VisDynamics as at 31 October 2022, the Company's audited accumulated profit is RM 4,566,864. Meanwhile, based on the unaudited financial statements as at 31 December 2022, the Company's unaudited accumulated profit is RM 4,883,702.

The funding for the Proposed Share Buy-Back Renewal will be made from internally generated funds of the Company and/or borrowings. The actual amount of borrowings will depend on the financial resources available at the time of the Proposed Share Buy-Back Renewal. The Proposed Share Buy-Back Renewal will reduce the cash flow of the Company by an amount equivalent to the purchase price of VisDynamics Shares and the actual number of VisDynamics Shares bought-back. Therefore, the Company will ensure that sufficient funds are available to effect the Proposed Share Buy-Back Renewal. There are no restriction on the type of funds which may be utilised for the Proposed Share Buy-Back Renewal so long as they are backed by an equivalent amount of the retained earnings of the Company.

In the event that the Company decides to utilise bank borrowings to finance the Proposed Share Buy-Back Renewal, there will be a decline in its net cash flow to the extent of the interest cost associated with such borrowing, but the Board will ensure that it has sufficient financial capability to repay the bank borrowings and that the bank borrowings will not have a material impact on the cash flow of the Company.

# SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF AUTHORITY FOR PURCHASE OF OWN SHARES BY THE COMPANY (“PROPOSED SHARE BUY-BACK RENEWAL”)

## 7. PUBLIC SHAREHOLDING SPREAD

The Board is mindful of the requirement that the Proposed Share Buy-back Renewal must not result in the number of VisDynamics Shares which are in the hands of the public falling below 25% of the total number of issued shares of VisDynamics. The public shareholding spread of the Company as at LPD was 63.52%.

The public shareholding spread of the Company is expected to be reduced to 59.46% assuming the Proposed Share Buy-Back Renewal is implemented in full. The purchased VisDynamics Shares are assumed to have been purchased from the public shareholders, and the number of VisDynamics Shares held by the Directors and Substantial Shareholders of VisDynamics and/or persons connected to them remains unchanged.

The Company will endeavour to ensure that the Proposed Share Buy-Back Renewal will not breach Rule 12.14 of the Listing Requirements, which states that a listed company must not purchase its own shares on Bursa Securities if the purchase(s) will result in the listed company being in breach of Rule 8.02(1) of the Listing Requirements.

## 8. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK RENEWAL

The effects of the Proposed Share Buy-Back Renewal are presented below based on the assumption that the Proposed Share Buy-Back Renewal is implemented in full.

### 8.1 Share Capital

The effects of the Proposed Share Buy-Back Renewal on the total number of issued shares of the Company will depend on whether the purchased VisDynamics Shares are cancelled or retained as treasury shares. However, there will be no impact on the total number of issued shares of the Company if the purchased VisDynamics Shares are retained as treasury shares, resold or distributed as share dividends to shareholders.

In the event that all the purchased VisDynamics Shares are cancelled and on the assumption that the Proposed Share Buy-Back Renewal is implemented in full, the effects of the Proposed Share Buy-Back Renewal on the number of issued shares of VisDynamics as at the LPD are as below:

	<u>Number of Shares</u>
Total number of issued shares as at the LPD	175,199,312
Shares purchased amounting to 10% of the total number of issued Shares and cancelled pursuant to Proposed Shares Buy-Back Renewal	(17,519,931)
Resultant share capital upon completion of the Proposed Share Buy-Back	<u>157,679,381</u>

### 8.2 Net Assets (“NA”)

The effect of the Proposed Share Buy-Back Renewal on the consolidated NA of VisDynamics Group will depend on the purchase price of the VisDynamics Shares, the number of VisDynamics Shares purchased, the effective funding cost of VisDynamics Group to finance the share buy-back, if any, or loss in interest income to the Company, and whether the purchased VisDynamics Shares are cancelled, retained as treasury shares, resold on Bursa Securities or distributed as share dividends to shareholders.

If all the purchased VisDynamics Shares are cancelled, the Proposed Share Buy-Back Renewal would reduce the NA per share of VisDynamics Group if the purchase price of each purchased VisDynamics Share exceeds the NA per share at the relevant point in time, and vice versa.

The NA of VisDynamics Group would decrease if the purchased VisDynamics Shares are retained as treasury shares due to the requirement for treasury shares to be carried at cost

and offset against equity, resulting in a decrease in the NA of VisDynamics Group by the cost of the treasury shares.

If the treasury shares are resold through Bursa Securities, the NA of VisDynamics Group would increase if the Company realises a gain from the resale, and vice versa. If the treasury shares are distributed as share dividends, the NA of VisDynamics Group would decrease by the cost of the treasury shares.

### **8.3 Earnings and EPS**

The effect of the Proposed Share Buy-Back Renewal on the EPS of VisDynamics Group will depend on the purchase price of the VisDynamics Shares, the number of VisDynamics Shares purchased and the effective funding cost, if any, or any loss in interest income to VisDynamics Group.

Assuming that the purchased VisDynamics Shares which are retained as treasury shares are resold, the effects on the EPS of VisDynamics Group will depend on the actual selling price, the number of treasury shares resold, and the effective gain or interest savings arising from the exercise.

### **8.4 Working Capital**

The Proposed Share Buy-Back Renewal is likely to reduce the working capital of VisDynamics, the quantum of which depends on the purchase prices and the number of VisDynamics Shares purchased. Nevertheless, the Board is mindful of the interest of VisDynamics and its shareholders in undertaking the Proposed Share Buy-Back Renewal and will assess the working capital needs of VisDynamics prior to any purchase of Shares.

### **8.5 Gearing**

The effect of the Proposed Share Buy-Back Renewal on the gearing of the Company will depend on the proportion of borrowings utilised to fund any purchase of shares. Any borrowing utilised to purchase VisDynamics Shares may increase the gearing of the Company.

## **9. IMPLICATIONS OF THE MALAYSIAN CODE ON TAKE-OVERS AND MERGERS 2016 (“THE CODE”)**

As at the LPD, the major shareholder, Mr Choy Ngee Hoe holds approximately 27.00% of the voting shares of VisDynamics. In the event that the Proposed Share Buy-Back Renewal is implemented in full, the shareholding of the said major shareholder will increase to 30.00%, assuming the total number of issued shares of VisDynamics and that held by the said major shareholder remain unchanged.

The Board does not anticipate any implication relating to the Code, even if the allowed maximum number of VisDynamics Shares is purchased pursuant to the authority granted under the Proposed Share Buy-Back Renewal.

In the event the number of voting shares of VisDynamics bought back subsequent to the date of this Statement result in the major shareholder and/or person(s) acting in concert triggering the mandatory general offer for the remaining voting shares not held by him/them, such major shareholder and/or person(s) acting in concert may consider seeking an exemption from the obligation to undertake a mandatory general offer under the Rules on Take-Overs, Mergers and Compulsory Acquisitions 2016 before a mandatory general offer is triggered. It is the intention of VisDynamics to implement the Proposed Share Buy-Back Renewal in a manner that will not result in any of the shareholders of VisDynamics having to undertake a mandatory general offer pursuant to the Code.

There was no purchase, resale, transfer and/ or cancellation of treasury shares of VisDynamics in the previous 12 months preceding this Statement. As at the date of this Statement, the Company does not hold any treasury shares.

**11. HISTORICAL SHARE PRICES**

The monthly highest and lowest prices of VisDynamics Shares as traded on Bursa Securities for the past 12 months from February 2022 to January 2023 are as follows:

**12. INTERESTS OF THE DIRECTORS, MAJOR SHAREHOLDER AND/OR PERSONS CONNECTED TO THEM**

Save for the proportionate increase in the percentage shareholdings and/or voting rights of the shareholders of the Company as a consequence of the Proposed Share Buy-Back Renewal, none of the Directors and/or Major Shareholder of VisDynamics and/or persons connected to them, has any interest, direct and indirect, in the Proposed Share Buy-Back Renewal or resale of treasury shares, if any.

**13. DIRECTORS’ RECOMMENDATION**
